

Performance

Impressive engineering is something you come to expect with Highlander. But you'll notice it most when you're on highway on-ramps and when you're at the gas station. That's because Highlander uses an extraordinary technology known as Dual Variable Valve Timing with intelligence to provide the ideal combination of power, efficiency and reduced emissions. And with a choice of three powerful engines – gas powered 4-cylinder or V6 and a Hybrid V6 – Highlander makes short work of even the longest journey.

2.7-LITRE 4-CYLINDER

Highlander's fuel efficient 2.7-litre 4-cylinder engine uses Dual VVT-i to help make the most of its 187 hp and 186 lb.ft. of torque, giving you responsive power. Coupled with a 6-speed Electronically Controlled automatic Transmission with intelligence, this engine allows Highlander to get an excellent fuel economy rating of 10.4/7.3 city/highway L/100km.²

3.5-LITRE V6

The V6 gas models come standard with a 3.5 litre, 24-valve V6 engine that delivers 270 hp, and an exceptional fuel economy rating of 12.6/8.7 city/highway L/100km.² The Hybrid 3.5 litre 24-valve V6 engine combined with the front and rear electric motors delivers 280 hp and a fuel economy rating of 6.6/7.3 city/highway L/100km.²

Hybrid Limited 4WD-i shown in Shoreline Blue Pearl.

2012 Colours

070 Blizzard Pearl^{A,B,E}
(4WD V6, 4WD V6 Ltd, Hybrid only)

New vehicle warranty summary

NO DEDUCTIBLES – NO TRANSFER FEES

COMPREHENSIVE COVERAGE – 3 YEARS OR 60,000 KM This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS – 5 YEARS OR 100,000 KM This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS – 8 YEARS OR 130,000 KM This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION – 5 YEARS UNLIMITED DISTANCE Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

HYBRID-RELATED COMPONENTS – 8 YEARS OR 160,000 KM** This warranty covers repairs to hybrid-related components that are defective in material or workmanship under normal use and maintenance.

**Includes: HV Battery, Battery Control Module, Hybrid Control Module and Inverter with Converter.

Accessories

Personalize your vehicle to enhance its appearance and performance with Toyota Accessory Parts. Your Toyota Dealer can help you select the right accessories to suit your individual style. Many of Toyota's Accessory Parts can be residualized or advanced through Toyota Financial Services when purchased at the time of a new vehicle sale, and all are backed by a Toyota Warranty. To view a complete list of accessories specifically designed for your vehicle, visit customizeyourtoyota.ca, your local Dealer or toyota.ca.

Whether you prefer convenience, practically or luxury; adding accessories will help create a Highlander that is uniquely yours.

- Block Heater
- Bluetooth®³
- Bodyside Mouldings
- Bongiovi Acoustics DPS
- Cargo Cover
- Cargo Liner
- Cargo Net
- Hood Deflector
- Remote Engine Starter
- Side Step Bars
- Side Window Visors
- Towing Accessories

- TRD ACCESSORIES
- TRD Air Filter
- TRD Oil Cap

Cargo Liner Protect your interior with this durable vinyl liner which features a raised lip to contain spills for easy cleanup.

TRD Air Filter

Bodyside Mouldings Protect your vehicle from dings and bumps. Mouldings are custom styled to accent your vehicle's exterior.

Cargo Net

Remote Engine Starter Start your vehicle from as far as 80 feet away to cool or warm it before entry.

Bongiovi Acoustics DPS Digital audio processor/amplifier system to enhance your audio performance.

Towing Accessories Haul with confidence with a towing hitch.

Discover more with Toyota

At Toyota, our goal is to continuously make things better for you. That's why we offer a wide range of programs and services before and after your vehicle purchase designed to help make your Toyota experience the best it can be.

Fewer emissions and pollutants.¹ More kilometres on less fuel. And designed with power and performance in mind. Available in Prius v, Prius c, Camry and Highlander, these latest generation Toyota hybrids offer you the best of all worlds.

Toyota Dealers are dedicated to making the experience of owning a Toyota both satisfying and rewarding. With Toyota Genuine Parts and factory-trained technicians, only your Toyota Dealer can deliver the quality service experience that you and your Toyota deserve.

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at www.toyotafinancialservices.ca.

Enhance your Toyota ownership experience by joining Club Toyota – a complimentary and exclusive online service for Toyota owners. Benefit from an abundance of interactive services, and information conveniently at your fingertips. Register today at clubtoyota.ca.

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's affordable peace of mind. Consult your Toyota Dealer for details.

The Toyota Mobility program is dedicated to addressing the transportation needs of Toyota Owners who have a disability, or know a family member with a disability or mobility issue. The program offers cash assistance, resource information and financing for adaptive equipment for their vehicle.

All new Toyota cars and trucks include a full tank of gas, roadside assistance and floor mats.

Committed to Canadians, today and tomorrow.

Being a leader in the automotive industry does not simply begin and end with making great vehicles. It also means being a leader in the community. Toyota Canada and its dealerships across Canada fund the Toyota Canada Foundation, a non-profit organization that works to make a difference for Canadians, through direct community involvement supporting the environment, education and safety.

Through initiatives as diverse as the Toyota Earth Day Scholarship Program, Scientists in School, the Traffic Injury Research Foundation, and even the Toyota Volunteer Training Days program with Special Olympics Canada, the Toyota Canada Foundation is committed to Canadian communities, today and tomorrow.

To learn more, visit us at toyota.ca.

¹Compared against similarly equipped conventional gasoline powered vehicles. Based on North American sales data and Federal Tier 2 engine emission requirements.

[1] All Toyota vehicles shown in this brochure, have Supplemental Restraint Systems (SRS) which, depending on the model, may include driver and front passenger airbags, a driver's knee airbag, front seat-mounted side airbags or side curtain airbags. For important safety information about the Supplemental Restraint System in a vehicle, please see the Owner's Manual or contact your local Toyota Dealer.

[2] These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication *EnerGuide Fuel Consumption Guide*.

[3] Toyota tests certain phones for compatibility with Bluetooth technology. Some vehicles equipped with Bluetooth technology are available with bilingual capability. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area. Please see your Toyota Dealer for details.

[4] The Toyota Navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely on your common sense to decide whether or not to follow a specified route. Detailed coverage is not available in every city. Optional periodic geographic updates are available at an additional cost. The Navigational systems in some vehicles are available with bilingual capability. Please see your Navigation system Owner's Manual and your Toyota Dealer for further details.

[5] Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control.

[6] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

[7] Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping.

[8] The maximum output indicates engine plus HV battery output.

[9] Compared against similarly equipped conventional gasoline powered vehicles. Based on North American sales data and Federal Tier 2 engine emission requirements.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.
