● - Standard

¹ Meets Environment Canada and U.S. Environmental Protection Agency (EPA) and California Air Resources Board (CARB) Low Emission Vehicle (LEV) standards.

*Airbag Notice: The 2004 Avalon features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2004 Avalon is available with a Side-Impact airbag Supplemental Restraint System (SRS) which activates only in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

NEW VEHICLE WARRANTY SUMMARY

No Deductibles – No Transfer Fees

Comprehensive Coverage - 3 years or 60,000 km

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

Powertrain Components - 5 years or 100,000 km

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

Major Emission Control Components - 8 years or 130,000 km

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

Corrosion Perforation - 5 years unlimited distance

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.
