AVALON

TOYOTA

AT TOYOTA, WE'RE MORE THAN JUST A CAR COMPANY.

WE'RE A PARTNER IN THE JOURNEY TO LIVE YOUR MOST FULFILLING LIFE.

We give you the tools you need to achieve your full potential by designing our vehicles with purpose. To be as dynamic as the life you've always envisioned yourself living. And we don't stop at meticulously designed, quality vehicles. We're pioneering alternative fuels, improving human movement, and creating meaningful community partnerships, like the one we have with our Olympic and Paralympic athletes. These initiatives demonstrate our determination to give everyone the ability to move freely through a world with constantly evolving mobility challenges, enriching that world in the process. Alone, just a car. Together, so much more.

AS REMARKABLE AS IT IS REFINED.

THE AVALON. STUNNING IN EVERY POSSIBLE WAY.

The 2020 Avalon is perhaps the most beautiful Toyota ever. And that beauty isn't skin deep. Beyond the stunning lines, you'll find a host of intuitive state-of-the-art technology that elevates your day-to-day drive, including improved driving dynamics that deliver a remarkably responsive and controlled ride. Whether you're considering the bold Limited, or the sport-inspired XSE, the 2020 Avalon can take you wherever you want to go, in style and comfort.

DARING IN EVERY DETAIL.

COMFORT. RESPONSIVENESS. ALL IN ONE BEAUTIFUL PACKAGE.

The 2020 Avalon delivers an extraordinary level of handling and ride comfort. The low, wide platform gives you confidence with every turn, while the available steering wheel-mounted paddle shifters provide responsiveness by allowing you to shift gears manually. But it's more than just the drive that will give you goosebumps. Inside the expansive cabin you're surrounded by premium craftsmanship and authentic materials that you can feel and see, including premium leather-wrapped steering wheel and seats, available real wood trim, and available Cognac leather interior with unique perforation pattern and two-tone quilted stitching. In short, it's smart in every respect.

ENTERTAINING. AND NOT JUST THE DRIVE.

7-IN MULTI-INFORMATION DISPLAY

Get all the vital info you need at a glance with Avalon's 7-in. Multi-Information Display, which can be customized to show you how much fuel you have left, check your current km, get turn-by-turn directions and more – all on one display.

APPLE CARPLAY™1

Avalon offers Apple CarPlay™ support as a standard feature. Connect your compatible iPhone® and get directions, make calls, send and receive messages, and listen to your own playlist with your voice through Siri® or the steering wheel controls – all while maintaining focus on your drive.

QI WIRELESS CHARGING

No wires. No worry. Simply place your Qi compatible device on the standard Qi wireless charger for a quick and easy charge. For more convenience, four USB 2.0 ports let anyone find a connection from any seat.

JBL® AUDIO SYSTEM

Experience the sound of luxury through Avalon's available JBL® with Clari-Fi™ audio system. With its 1200 watts, 14-speakers, 7.1-channel surround sound, and high-quality hardware, software, and structural engineering, phenomenal sound is delivered to amp up every drive.

Toyota
Safety
Sense

SAFETY NEVER LOOKED SO GOOD.

STANDARD TOYOTA SAFETY SENSE™ (TSS-P).²

No matter what roads you travel, Toyota Safety Sense™ is always there to keep you as safe as possible. It's an advanced suite of innovative safety features that comes standard on the 2020 Avalon, and it is designed to help protect drivers, passengers, pedestrians, and people in other vehicles from harm.

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION⁵

Provides collision avoidance or collision mitigation support in speed ranges where frontal collisions are likely to occur. In certain conditions, the Pre-Collision System with Pedestrian Detection may also help to detect pedestrians and help prevent or mitigate a collision.

AUTOMATIC HIGH BEAMS⁶

Designed to detect oncoming and preceding vehicles' lights and depending upon the circumstances, Automatic High Beams can switch between high and low beams for you.

DYNAMIC RADAR CRUISE CONTROL³

Using forward sensing radar technology, the system can automatically adjust vehicle speed to help maintain a preset following distance between you and the vehicle directly in front of you.

LANE DEPARTURE ALERT WITH STEERING ASSIST⁴

Alerts you if you start to drift out of your lane when visible lane markings are detected. The Steering Assist function may also provide small corrective steering inputs.

AVALON SELECT FEATURES

XSE

DRIVETRAIN

- 3.5 Litre, V6 Engine with 301 hp @ 6600 rpm & 267 lb.ft. of Torque @ 4700 rpm
- Variable Valve Timing with Intelligence on Exhaust Cam, Electronic Throttle Control System with Intelligence, Direct-Injection 4-Stroke Gasoline Engine, Variable Induction System, Acoustic Control Induction System, Stainless Steel Exhaust System
- Engine Sound Generator, Sport Tuned Suspension
- Active Noise Cancellation
- 8-Speed, Automatic, Super Electronically Controlled Transmission, Sequential Shift Mode
- Combined City & Highway Rating 9.4 L/100 km 30 mpg⁷

WARRANTY

No deductibles. No transfer fees.

COMPREHENSIVE COVERAGE 3 YEARS OR 60,000 KM

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS 5 YEARS OR 100,000 KM

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION 5 YEARS/UNLIMITED DISTANCE

This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCLAIMERS

(1) Driving while distracted can result in loss of vehicle control. Some features may be locked out while the vehicle is in gear. To reduce risk of accident while driving, exercise care when using the systems (even with the voice commands) and obey all local laws concerning use of the systems while driving (as some laws prohibit the use of electronic devices while operating a vehicle). Once the Connected Services by Toyota trial subscription expires, paid enrollment is required. Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. (2) Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, weather, etc., the TSS systems may not work as intended. (3) Dynamic Radar Cruise Control is designed to assist the driver and is not a collision-avoidance system or a substitute for safe and attentive driving practices. System effectiveness depends on many factors such as weather, traffic and road conditions. (4) Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions and provide visual and audible alerts and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. (5) The TSS Pre-Collision System is designed to help avoid or reduce the impact speed and damage in certain frontal collisions only. The Pedestrian Detection system is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. (6) Automatic High Beam system operates at speeds above approximately 34 km/h. Factors such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn it off. (7) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.
