4RUNNER

AT TOYOTA, WE'RE MORE THAN JUST A CAR COMPANY

WE'RE A PARTNER IN THE JOURNEY TO LIVE YOUR MOST FULFILLING LIFE.

We give you the tools you need to achieve your full potential by designing our vehicles with purpose. To be as dynamic as the life you've always envisioned yourself living.

And we don't stop at meticulously designed, quality vehicles. We're pioneering alternative fuels, improving human movement, and creating meaningful community partnerships, like the one we have with our Olympic and Paralympic athletes. These initiatives demonstrate our determination to give everyone the ability to move freely through a world with constantly evolving mobility challenges, enriching that world in the process.

Alone, just a car. Together, so much more.

CHOOSE YOUR OWN ADVENTURE

THE BEST ADVENTURES IN LIFE AREN'T FOUND ON A MAP.

Toyota trucks are made for the kinds of conditions you'll find in Canada. They have been tested all over the world, in some of the toughest environments imaginable. That spirit continues with the 2020 4Runner. Even on uncharted roads, the 4Runner performs with the confidence of an SUV that's driven there a hundred times over. It offers outstanding power thanks to a 270 hp V6 engine, a reinforced body-on-frame construction, and a towing capacity of up to 2,268 kg (5,000 lb.). And with five unique models to choose from, including the stylish Venture, Limited, and Nightshade, or the performance tuned TRD Off Road or TRD Pro, there's a model suited for every type of explorer – the challenge is choosing what kind of adventure you want to create today.

COMFORTABLY TAKE CHARGE

YOU'VE GOT FREEDOM TO ROAM. OUTSIDE AND INSIDE.

4Runner comfortably seats up to seven passengers and offers 2,500 litres of expansive cargo space when the rear seats are folded down flat. The premium interior features a host of convenient amenities such as heated front seats, backup camera, push button start, and dual zone automatic climate control. 4Runner is also compatible with Apple CarPlay™² and Android Auto,™² which give you direct access to a range of helpful features at your fingertips that make the journey just as enjoyable as the destination.

PROVEN TOUGHNESS

An adventure spent planning every next move isn't an adventure. That's why we've thoughtfully engineered the 2020 4Runner for every unpredictable moment that lies ahead. The available Full-Time 4-Wheel Drive and locking centre/rear differential give you the power and control you need to take on every type of trail. For unruly terrain, 4Runner comes equipped with a standard Downhill Assist Control,¹ and Active Traction Control gives you the added traction you need when handling descending slopes.

FACE ANY CHALLENGE WITH CONFIDENCE

APPROACH WITH CONFIDENCE

4Runner encourages you to take on the toughest trails. Up to 9.6 inches of ground clearance, an approach angle of 33 degrees, and a departure angle of 26 degrees on 4Runner TRD Off Road help keep the adventure going.

MULTI-TERRAIN SELECT

Available Multi-Terrain Select allows you to choose from four modes that will regulate wheel spin by adjusting the engine throttle setting and braking pressure to provide you with maximum traction in various off road situations.

LEVER-TYPE TRANSFER CASE

4WD vehicles require a system to transfer power from the transmission to all four wheels. 4Runner TRD Off Road has a lever-type transfer case that allows you to easily switch to low range to help clear the roughest challenges.

CRAWL CONTROL

The available Kinetic Dynamic Suspension System (KDSS) and Crawl Control are meant to help keep optimal traction, even on uneven terrain. KDSS automatically adjusts the suspension system for better wheel articulation, while Crawl Control automatically modulates the throttle and brakes on five low-speed settings.

Toyota
Safety
Sense

DRIVE WITH CONFIDENCE

STANDARD TOYOTA SAFETY SENSE™ (TSS-P).³

No matter what roads you travel, Toyota Safety Sense™ is always there to keep you as safe as possible. It's an advanced suite of innovative safety features that comes standard on the 2020 4Runner, and it is designed to help protect drivers, passengers, pedestrians, and people in other vehicles from harm.

PRE-COLLISION SYSTEM WITH PEDESTRIAN⁴

Provides collision avoidance or collision mitigation support in speed ranges where frontal collisions are likely to occur. In certain conditions, the Pre-Collision System with Pedestrian Detection may also help to detect pedestrians and help prevent or mitigate a collision.

AUTOMATIC HIGH BEAMS⁵

Designed to detect oncoming and preceding vehicles' lights and depending upon the circumstances, Automatic High Beams can switch between high and low beams for you.

DYNAMIC RADAR CRUISE CONTROL⁶

Using forward sensing radar technology, the system can automatically adjust vehicle speed to help maintain a preset following distance between you and the vehicle directly in front of you.

LANE DEPARTURE ALERT WITH STEERING ASSIST⁷

Alerts you if you start to drift out of your lane when visible lane markings are detected. The Steering Assist function may also provide small corrective steering inputs.

4RUNNER SELECT FEATURES

SR5 V6

DRIVETRAIN

- 4.0 Litre, V6 Engine with 270 hp @ 5600 rpm & 278 lb.ft. of Torque @ 4400 rpm
- Dual Variable Valve Timing with intelligence, Sequential Multiport Electronic Fuel Injection
- Part Time 4WD System, One-Touch 4WD with Electronically Controlled Transfer Case, Trailer-Sway Control, Fuel Tank & Transfer Case Protector Plates
- Independent Front Coil Spring High-Mounted Suspension, Double-Wishbone with Stabilizer Bar & Gas-Filled Shock Absorbers
- 4-Link Rear Coil Spring Suspension & Gas-Filled Shock Absorbers
- 5-Speed, Automatic, Super Electronically Controlled Transmission, Lock-Up Torque Converter, Transmission Cooler
- Power-Assisted, 4-Wheel Ventilated Discs
- Push Button Start, Smart Key System
- Combined City & Highway Rating 13.8 L/100 km 20 mpg⁸

ENTERTAINMENT & CONNECTIVITY

- Connected Services by Toyota² – Audio Plus with Remote: 8" Touch Screen, 8-Speakers, Safety Connect[®] (1 Year Subscription) includes – Automatic Collision Notification, Stolen Vehicle Locator, Emergency Assistance Button, Enhanced Roadside Assistance; Service Connect (10 Year Subscription) includes – Vehicle Health Reports, Warning Light Notification, Maintenance Interval; Remote Connect (1 Year Subscription) includes – Engine Start/Stop, Door Lock/Unlock, Last Parked Location, Guest Driver Settings, Recent Trip, Status of Doors/Windows; Works with Apple CarPlay[™] & Android Auto[™]
- Integrated SiriusXM[®] Satellite Radio, Gracenote[®] Album Cover Art
- USB Input Ports (2 Front, 2 Rear), Auxiliary Input Jack, Bluetooth[®]
- 4.2" Full Colour Multi-Information Display in Gauge Cluster, Backup Camera

INTERIOR

- Auto-Dimming Rear View Mirror
- SofTex[®] Trimmed Seats, 7 Seat Capacity
- Heated Front Power 8-Way Adjustable Driver's & 4-Way Front Passenger Seats
- 40/20/40 Split Rear Seats with Recline, Fold-Down Seat Back & Centre Armrest
- 3rd Row Flat Folding 50/50 Split Rear Bench Seat
- Tonneau Cover
- Leather-Wrapped Steering Wheel & Shift Knob
- Push Button Start, Smart Key System

EXTERIOR

- Power Moonroof, Running Boards, Silver Painted Roof Rails, Front & Rear Splash Guards
- Dual Heated, Power-Adjustable Foldable Mirrors with Integrated Signal Lamps
- Colour-Keyed Bumper/Fender Flares/Mirrors/Door Handles & Rear Spoiler
- Front Tow Hook, Towing Hitch Receiver with 4/7-Pin Trailer Wire Harness
- Projector Style Halogen Headlamps, Fog Lamps
- Smoked Headlamp & Black Tail Lamps Surround
- 17" Aluminum Alloy Wheels & P265/70R17 All-Season Tires

SAFETY

- Toyota Safety Sense[™] (TSS-P)
- Star Safety System[™]
- 8 Airbags
- Vehicle Anti-Theft System
- Tire Pressure Monitoring System
- Cruise Control, Hill-start Assist Control, Downhill Assist Control

OPTIONAL

TRD OFF ROAD PACKAGE

- Connected Services by Toyota² – Premium Audio with Remote: includes Audio Plus with Remote features & JBL® Audio, Four-Channel Amplifier, 8-Speakers, Embedded Navigation; Destination Assist Connect (1 Year Subscription), Embedded Traffic & Weather, Map Updates – 3 Years (Maximum of 3 Updates)
- Lever-Type 4WD Selector, Kinetic Dynamic Suspension System, 4-Wheel Crawl Control, Multi-Terrain Select, Multi-Terrain ABS, Rear Differential Lock, Optitron Instrumentation Gauges
- Black Seats with Red Stitching, Black Roof Rail End Caps, Hood Scoop, Dark Silver Brushed Metallic Trim
- TRD Badged Headrests/Floor Mats, TRD Badging on C Pillar, TRD Shift Knob
- Rear Door Courtesy Lamp
- Off-Road Style Aluminum Alloy Wheels & P265/70R17 All-Season Tires

VENTURE PACKAGE

- Plus TRD Off Road Package
- 17" PRO Alloy Wheels
- Predator Side Steps, Black Badging Overlays, Roof Rack Crossbars
- Black Mirrors/Door Handles/Roof Spoiler/Shark Fin Antenna/Wheel Arches

LIMITED PACKAGE

- JBL® Audio, Four-Channel Amplifier, 15-Speakers
- Full-time 4WD System, X-REAS Sport Suspension
- Leather Seat Surfaces, Heated & Ventilated Front Seats, Driver Seat Memory System
- Chrome Front Grille/Fog Lamps Surround/Body Side Mouldings/Door Handles, Rear Trunk Chrome Trim, Woodgrain Trim, Unique Running Boards
- Puddle Lamps, Automatic Headlamp System
- 20" Aluminum Alloy Wheels & P245/60R20 All-Season Tires, Full Size Spare Tire with Alloy Wheel

NIGHTSHADE PACKAGE

- Plus Limited Package, (Delete Front & Rear Splash Guards)
- Black Accents Front & Rear Bumpers, Black Chrome Grille/Rocker Panel/Roof Rack, Black Mirror Cover & Door Handles, Automatic Running Boards
- Metal Interior Trim, Leather Shift Knob with Black Trim
- 20" Black Alloy Wheels

TRD PRO PACKAGE

- Plus Venture Package
- JBL® Audio, Four-Channel Amplifier, 15-Speakers
- Lever-Type 4WD Selector, 4-Wheel Crawl Control, Multi-Terrain Select, Multi-Terrain ABS, Rear Differential Lock, TRD-Tuned Front Springs, Unique Heritage "TOYOTA" Grille, TRD FOX Shocks
- Black Seats with Red Stitching, Basket Style Roof Rack, Black Roof Rail End Caps, Hood Scoop, Optitron Instrumentation Gauges
- Black TRD PRO Badging on C Pillar & Tailgate, TRD PRO Badged Floor Mats, TRD PRO Shift Knob
- Silver TRD-Stamped Aluminum Front Skid Plate, TRD Badged Headrests
- Rear Door Courtesy Lamp, LED Fog Lamps, Black Accents Front & Rear Bumpers
- 17" Matte Black Alloy Wheels with TRD Centre Caps, 31.5" Nitto Terra Grappler All-Terrain Tires

WARRANTY

No deductibles. No transfer fees.

COMPREHENSIVE COVERAGE 3 YEARS OR 60,000 KM

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS 5 YEARS OR 100,000 KM

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION 5 YEARS/UNLIMITED DISTANCE

This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCLAIMERS

(1) DAC is designed to help the driver maintain vehicle control and speed on steep downhill descents. HAC is designed to help minimize backward rolling on steep ascents. This system is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC and HAC will be effective in preventing a loss of control. (2) Driving while distracted can result in loss of vehicle control. Some features may be locked out while the vehicle is in gear. To reduce risk of accident while driving, exercise care when using the systems (even with the voice commands) and obey all local laws concerning use of the systems while driving (as some laws prohibit the use of electronic devices while operating a vehicle). Once the Connected Services by Toyota trial subscription expires, paid enrollment is required. Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. Android Auto is a trademark of Google LLC. (3) Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, weather, etc., the TSS systems may not work as intended. (4) The TSS Pre-Collision System is designed to help avoid or reduce the impact speed and damage in certain frontal collisions only. The Pedestrian Detection system is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. (5) Automatic High Beam system operates at speeds above approximately 34 km/h. Factors such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn it off. (6) Dynamic Radar Cruise Control is designed to assist the driver and is not a collision-avoidance system or a substitute for safe and attentive driving practices. System effectiveness depends on many factors such as weather, traffic and road conditions. (7) Lane Departure Alert is designed to read lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. (8) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure.
