	4-Speed E-Shift 10.2/7.3 28/39	○

● - Standard ○ - Optional <sup>†</sup>Premium Unleaded Fuel Recommended

\*AIRBAG NOTICE - The 2003 Celica features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system.

\*\*These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication – EnerGuide Fuel Consumption Guide. Information correct at time of printing. Subject to change without notice.
