• Reflector Style, Halogen Headlamps	●	●	●	●
• RS Grille Badge, Scuff Plates				●

* Airbag Notice: The 2004 Echo Hatchback features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. Seatbelts must be worn at all times by all occupants.

ECHO HATCHBACK
