 ^ Vehicle must be equipped with power door locks.

*Airbag Notice: The 2004 Tacoma features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a full frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. Seatbelts must be worn at all times by all occupants.
